

The Triangle Aquatic Center

Scholarship Programs

The Nonprofit Triangle Aquatic Center’s mission is to build and operate public aquatic facilities for the health, safety, recreation and competition needs of Triangle citizens and aquatic organizations. In pursuit of this mission, and to support more public access to swimming programs, TAC has created four (4) scholarships to provide more opportunity and affordable access to swimming programs for the children of the Triangle.

Make-A-Splash Scholarship

TITANS Leadership Award Scholarship

TITANS Opportunity Scholarship

TITANS Performance Scholarship

Purpose

To reduce the incidence of drowning of children from low income households. Drowning is the second leading cause of accidental death in children age 14 and under.

To encourage leadership from TITANS swimmers and to support the leadership component of the TAC TITANS Mission of leadership both in and out of the pool.

To provide children new to year-round swimming an opportunity to join the TITANS swim team who otherwise would not be able to participate due to the cost.

To help offset the high cost for families of swimmers who perform at a high level in the sport.

Eligibility

Children ages 6-14 who qualify for Wake County’s free or reduced lunch program.

A registered TAC TITANS swimmer in high school as of September 1st. Two college scholarships are awarded each year, one for a Challenge Group swimmer and one for an Elite Group swimmer.

Benefit(s)

Through our partnership with USA Swimming and our corporate sponsors, we are able to offer reduced priced swim lessons to eligible children in the community.

Each college scholarship is worth \$1,000.00 and is paid directly to the swimmer’s college of attendance.

The swimmer receives free 1) annual registration, 2) monthly dues, 3) meet fees, 4) a travel fund and 5) an award of uniforms and equipment.*
