

# Benefits of Online Registration & Account Management with ACTIVE Net

---

## Online Registration

Register online at your own convenience. Forget standing in line for hours to sign up for a class. Go online from any wireless device at any time of the day to register for class, make a payment, manage your profile and so much more.

Mobile-friendly registration and account management.

Live by your schedule, not ours. Sign up for an activity, make donations, purchase gift certificates and more, all from your computer or mobile device at any time of the day or night – whenever it is convenient for you.

Eliminate redundant, tedious forms with our new simple, convenient online registration for you and your family. Create a profile for each family member and all future registration processes will be as simple as point and click.

View the availability of a class or lesson and immediately book online.

Easily find what you're looking for with a robust activity search. Search for an activity by keyword, age, day, time, location, instructor, etc. You may even discover a new class along the way!

## Account Management

Manage your account, profiles and activities from your computer, tablet or smartphone.

Find a class you would love to take, but registration isn't open yet? Save the class to your Wish List! Once Registration opens, you can simply add your Wish List items to your cart.

Keep track of your whole family's activities in one place. Track each family member's activity schedule from one dashboard.

Develop more personal relationships. Tell us what your preferences are, any personal information you want us to know, and upload your picture for a more personal experience.

Keep your children safe and healthy! Track special medical waivers and authorizations for pick up/drop off online.

Receive registration reminders.

Easily renew your guest passes online.

## Communication

Stay “in the know” with ACTIVE Net Communication features.

Sign up to receive text message alerts when an activity or lesson is canceled at the last minute.

Indicate what your interests are to receive emails tailored to your favorite activities.

Seamlessly connect to your Facebook account to post an RSVP and invite friends to participate.

Share what you are doing and which activities you are signed up for with your Facebook friends with the click of a button.

## Online Payments & Data Security

Make payments and donations online.

Keep your personal information safe and secure. All customer account information is encrypted in the database, strong passwords are enforced by the application interface and ACTIVE has numerous layers of security to ensure your privacy.

ACTIVE Net automatically calculates discounts, scholarships, guest pass rates, credits and more.

Use your credit card to make easy and secure payments online. You can also track payments and print out receipts when you need it.

Make payments and receive your receipts online. With ACTIVE Net, forget the hassle of writing out a check, marking it down on your calendar and in your checkbook, mailing in your payment and making sure it is received.

Set up automatic monthly payments or a payment plan that works for you.

The ACTIVE Net shopping cart allows for multiple transactions at once making the registration and payment process more convenient.
