

Make sure you and your team are trained, knowledgeable, and certified in first responder and emergency response skills you might need in your preschool!

Triangle Aquatic Center will send an experienced instructor to your facility and certify your team in **Pediatric/Infant First Aid, CPR, and AED** as well as any other **American Red Cross** certifications! Classes start as low as **\$40** per person and classes can be customized to suit your needs!

Email info@triangleaquatics.org for more information and to schedule a certification class today!

Remember, your first line of defense is preparation.
