Triangle Aquatic Center's Make A Splash Program

Warmer weather means more outdoor activities for everyone and many of these activities bring people around water. Water safety and water confidence are the key focuses of our TITANS Aquatic Programs: Learn-to-Swim. Everyone needs to feel safe around water and have the skills to know what to do in the water.

Unfortunately, for many the cost of swim lessons prohibits them for gaining this vital skills. This is where TAC's Make A Splash Program can help.

Created by the USA Swimming Foundation, Make A Splash's initiative is to save children's lives through swim lessons. Through this program, eligible swimmers in the Triangle can register for swim lessons at a free or reduced rate. All that is required to qualify is for families

to submit free or reduced lunch eligibility letters from their school system to qualify, and after approval, they are able to enroll in the TITANS Aquatic Programs – Learn to Swim. We believe that the best learning happens in an inclusive environment, so all Make A Splash participants are enrolled in our public lessons where no swimmer is grouped based on their race, gender, or socioeconomic status. TAC is proud to be recognized as a Make A Splash Local Partner and one of the largest Make A Splash programs in the country!

Your help in supporting the Make A Splash Program is desperately needed. We are fortunate to have PNC Bank back again this year as the primary sponsor for this program but even with this generous donation we are still financially limited in the number of lessons we can provide through this program.

Please consider a donation to Make A Splash. [CLICK HERE](#) to learn more about Make A Splash and call 919.459.4045 with your offer to help.

Private and Semi-Private Swim Lessons

Private Lessons are perfect for those swimmers who learn better with individual attention, or for those wishing to improve on specific skills.

In order to request Private Lessons at TAC, please visit our website and fill out [the Private Lesson Request form](#). This form gives us the necessary information so we can individually pick a swim instructor best suited for your personal goals and your

availability. Please note that Private Lessons cannot occur when Titans Swim Academy group swim lessons are occurring.

Here at TAC, we are lucky to have an incredibly experienced swim instructing staff. Our staff have experience with most everything including infant swim lessons, adult beginner swim lessons, technique work for swim teams, diving, technique work for certain skills, and

more! Our experienced instructors are happy and excited to help you meet your individual goals.

Private Lessons can be purchased as individual lessons or as a package of 6 swim lessons. For the package, payment must be made prior to the first swim lesson. Semi-Private swim lessons are also available if you have two swimmers. The second swimmer does not need to be related.

TITANS Aquatic Programs - Swimming Spotlight: Diving

Diving can be one of the most frustrating things to learn, but one of the most satisfying skills to accomplish. Your start is one of the fastest parts of your race and TITANS Swim Academy is here to ensure you know how to preform your best dive!

Diving is introduced in Titans 1 and is reviewed in Titans 2. It takes a lot of practice and muscle memory and comes naturally to some swimmers. Many other swimmers have a

hard time grasping the concept of propelling themselves head first in the water, so here's some helpful tips!

1. Remember visual learning can be the best learning! Take advantage of free resources online, like [this awesome video](#)!

2. Practice, practice, practice The more your body is used to the movements, the easier it is. Remember to always keep your chin tucked and your arm tightly in streamline.

3. Start small! Practice sitting or kneeling dives if you do not feel comfortable diving while standing or off the blocks.

The Poolside Grill features the best Smoothies and Grill favorites offerings for your training, on-the-go meals, and special event needs!

Check us out inside the main entrance of the Triangle Aquatics Center or on-line for updates on our hours and specials! Thank you for your support - We're here to serve you!

When Ryan is not at work, he enjoys playing board games and video games. He says his favorite board game is Catan. Ryan also

enjoys going on hikes and exploring new areas. His favorite hike was a two-week trip in the Colorado Rockies. He says he also enjoys watching all sports. Ryan has been a great addition to the TAC team and has learned so much in the short time he has been here.

We are excited to have Ryan take over Managing the Customer Service Desk. Please be sure to stop by and congratulate Ryan the next time you are in the facility!
