Triangle Aquatic Center COVID-19 Protocol

Updated 1/3/2022

1. **A patron who tests positive for COVID-19 must do all of the following:**
 - a. Notify TAC by email to ehuger@triangleaquatics.org.
 - b. **Isolate** for **5 days** after the date of the positive test.
 - i. If the patron has no symptoms **after 5 days**, then the patron can end isolation.
 - ii. If the patron still has symptoms **after 5 days**, then the patron must continue to isolate until the symptoms have resolved.
 - c. Once isolation ends, the patron must wear a mask around others **for 5 additional days**.
 - d. Receive **written medical clearance** to return to the pool from a licensed medical professional.

2. **An unvaccinated patron who has close contact (less than 6 feet away for a cumulative total of 15 minutes or more over a 24 hour period) **with a person who has COVID-19 must do all of the following:**
 - a. Notify TAC by email to ehuger@triangleaquatics.org.
 - b. **Quarantine** for **5 days after last exposure** to that person.
 - c. Get tested for COVID-19 (no sooner than 5 days after **close contact**) and notify TAC of the result by email to ehuger@triangleaquatics.org.
 - d. After **quarantine** ends, the patron must wear a mask around others **for 5 additional days**.**

3. **A fully vaccinated patron (someone who is 14 days past their last shot) **who has close contact (as described above) with a person who has COVID-19 must do all of the following:**
 - a. Monitor for **symptoms** of COVID-19.
 - b. Wear a mask around others **for 10 days** following exposure.**

Updated 1/3/2022

A fully vaccinated patron who does not have [symptoms](#) of COVID-19 **is not required to quarantine or isolate.**

If a fully vaccinated patron develops [symptoms](#) of COVID-19, then the patron **must do all of the following:**

- a. Notify TAC by email to ehuger@triangleaquatics.org.
- b. [Isolate](#) from others.
- c. Be evaluated for COVID-19 by a licensed medical professional, **including a COVID-19 test if indicated.**
