

Triangle Aquatic Center COVID-19 Protocol

Updated 2/3/2021

1. **A patron who tests positive for COVID-19 must do all of the following:**
 - a. Notify TAC by email to ebowie@triangleaquatics.org so that contact tracing and facility sanitation can begin.
 - b. Isolate** until **10 days have passed** since the date of the positive test or the date of the onset of symptoms.
 - c. Have no symptoms for the last **24 hours**.
 - d. Receive **written medical clearance** to return to the pool from a licensed medical provider.
2. **A patron who has any symptoms which could be attributed to COVID-19 must remain away from TAC until the patron receives written medical clearance to return to the pool from a licensed medical provider.**
3. **A patron who has close contact (less than 6 feet away for a cumulative total of 15 minutes or more over a 24 hour period) with:**
 - a. a person who has tested positive for COVID-19 **who has symptoms** (and patron's contact with that person was within the period 2 days before that person developed symptoms and through the end of that person's isolation) or
 - b. a person who has tested positive for COVID-19 **but who has no symptoms** (and patron's contact with that person was within the period 2 days before that person's test and through the end of that person's isolation)

must do all of the following:

- a. Notify TAC by email to ebowie@triangleaquatics.org so that contact tracing can begin.
- b. Get tested for COVID-19 (no sooner than 5 days after **close contact**) and notify TAC of the result by email to ebowie@triangleaquatics.org.
- c. Quarantine** for **10 days after last exposure** to that person.

** The requirement to isolate and quarantine means that the patron has no "close contact" with friends, TAC patrons, family members, and others.
